Expolinc Soft Image 4x3

Textile size: 3610 mm x 2240 mm.

Textile size 142 1/8″ x 88 3/16″

The light blue area indicates the placing of the velcro and the dotted lines indicate the seams.

The whole surface can be used for bleed image.

If possible, avoid placing sensitive items such as logos, etc. in the blue field on which it may have effects after stitching.
